

YES Communications Receives Women's Business Enterprise National Certification

13 JUNE 2012, Coppell, TX -- Dallas, Texas area based, YES Communications, Inc. (YES), has been awarded the prestigious Women's Business Enterprise National Certification by the Women's Business Counsel-Southwest, a regional certifying partner of the Women's Business Enterprise National Council (WBENC).

The meticulous process of national certification involves a comprehensive review of the business as well as a site inspection for compliance. The certification process is designed to confirm the business is at least 51% owned, operated, and controlled by a woman or women. By including women-owned businesses among their vendors and suppliers, businesses and government agencies demonstrate their commitment to fostering the continued development of their supplier and vendor diversity programs.

Company founder and owner, Ms. Kelley Parlier commented, "We're proud to be associated with such a respected organization as the Women's Business Enterprise, and we have worked hard to meet the very high standards required for certification. YES Communications has always been dedicated to providing innovative services and support to our diversified client base."
